

MagMighty Combo 5 5-in-1 Wireless Charging Pad (P1222B)

with detachable Phone Stand and USB ports.

Human friendly

Description:

Modularize and Multi-Functional charging station that can simultaneously power up 5 devices. There is 3 wireless charging areas for your smart phone, smart watch and wireless earbuds. The charging pad also features 1 USB-A and 1 USB-C port to charge you tablet and other devices.

Product Features:

- **Dual-Port Endcap & connector** - UNITEK MagMighty Combo 5 Wireless Charging pad comes with a 48W adapter, it supports 7.5W fast wireless charging for iPhone (10W for phones from other brands that support wireless charging), 5W for AirPods, 2W for Apple Watch. We also design an extra USB-C 30W port and USB-A 5V2.4A output port so users can charge other devices.
- **Innovative design for the Tech Lovers** - You can charge all your smart devices with this 5-in-1 charging pad at the same time. This charging pad is perfect for Tech lovers who opt for a clean desk setup.
- **Safety & Sleep Friendly** - UNITEK Combo 5 Wireless Charging pad is designed with over-current, over-voltage, over-heating, and short-circuit protection, which protect you and your devices while charging. LED status indicator and silent charging make sure you can have a good sleep at night.
